

A3 Sedan

Sedan redefined.

Dynamic contours. Taut muscular areas. Coupé-like lightness. The new Audi A3 Sedan casts a progressive light on the term sedan. Sporty through and through. Elegant and confident. Ready to rediscover the world.

Power exuded by the singleframe with double chrome struts. Aerodynamic air inlets. Full-LED headlights with dynamic indicators at the rear as standard. Perfectly integrated into the three-dimensional body line. Adding to that a striking trailing edge and elegantly rising rear lights.

A new perspective: compact sedan with coupé character. Wide and low. Precise lines, emphasis on three-dimensional design. The low, flowing line of the roof dome conveys pure dynamism.
